**Dated** ..... 09.01.2023

**Dear Mr. Reddy,**

Thanks for extending kind cooperation in facilitating final inspection of your Test Facility (TF) for GLP certification by a Team of GLP Inspectors on October 1&2, 2022.

I am pleased to inform you that based on the inspection and recommendations of Technical Committee (TC) on GLP, Sugan Life Sciences Private Limited, Tirupati has been granted GLP compliance certification in the area(s) of expertise, test item(s) and test system(s), as mentioned in the attached GLP certificate.

However, the TC on GLP noted that there were some additional studies were also audited by the inspection team which were not covered in the scope of GLP certification as per the GLP application of the TF. Hence, the committee recommended that GLP certification to the TF should only be given for the areas of expertise/ type of studies which were sought in the GLP application.

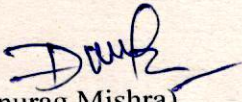

Please acknowledge receipt of the GLP certificate attached herewith.

A copy of the report of final inspection can be downloaded from the NGCMA portal.

This issues with the approval of the Competent Authority.

With kind regards,

Yours sincerely,

  
(Anurag Mishra)
